

May 28, 2018

Dear SRL Parents and Athletes,

Thank you for supporting another incredible year of Cardinal athletics!

If you wish to try out for one of our many sports offered during the 2018-19 school year, all athletes must have a consent form and physical form signed by the parent and doctor of the student before participating. These documents may be picked up in the school office or downloaded on our website. Once the physical form is completed by the athlete's physician, it is good for an entire year. Please be aware that if the physical form is not returned to the school before a specific sport, the student may not attend tryouts. We encourage you to visit your child's pediatrician over the summer to have this form completed.

To learn more about the St. Rose of Lima Athletic Department and meet our Athletic Director, Coach Daniel Ocampo, I would like to invite you to our brief annual Cardinal Athletics informational meeting on Friday, August 17<sup>th</sup> from 12-12:45pm in the cafeteria. This meeting is for all SRL athletes, parents, and anyone interested in coaching one of our teams.

Looking forward to another winning season!

Thank you and God Bless,

A handwritten signature in black ink, appearing to read "Stephen Brown".

Stephen Brown, Ph.D.  
Principal
