

Immunization Requirements

Florida requires certain vaccines to be administered before children may enroll and attend childcare and school. Per the Archdiocese of Miami, all new students entering St. Rose of Lima School must have a current HRS 680 form on file before the first day of school indicating that they are up-to-date on all immunizations. In addition, there are specific requirements for all students entering Kindergarten and 7th grade.

Kindergarten students must have proof of the following:

- Four or five doses of DTaP
- Four or five doses of IPV
- Two doses of MMR
- Three doses of Hep B
- One Tetanus-diphtheria-acellular pertussis (Tdap)
- Two doses of Varicella - Varicella vaccine is not required if there is a history of varicella disease documented by the health care provider.

7th Grade students must have proof of the following:

- One Tetanus-diphtheria-acellular pertussis (Tdap)

We are highly encouraging all children to be vaccinated for COVID-19. As of May 2022, there is no system-wide mandate to have children COVID-19 vaccinated to attend school.

Don't wait until the last minute! Please be sure to update all vaccinations and send the required form in to the school office as soon as possible.

If you have any questions please email tfrechette@srlschool.com.
