

Middle School **MATH** Required Practice Summer 2025

Dear Incoming Middle School Parents and Students,

To support continued growth and preparation for the year ahead, students entering Grades 6, 7, and 8 will complete IXL's *Summer Boost: Math* plan. This program is tailored to reinforce key skills and concepts from the previous year and aligns with our curriculum.

Working at their own pace, students will complete the 4-week IXL plan using the links below. A *SmartScore* of 80 or higher is required for each skill. Completion of this summer work will count as each student's **first Math grade** of the school year.

[IXL - Summer Boost: MATH for students entering Grade 6](#)

[IXL - Summer Boost: MATH for students entering Grade 7](#)

[IXL - Summer Boost: MATH for students entering Grade 8](#)

At the end of the plan, all students must also complete the following additional skill:

♦ [Skill: 6-Y.1 Write variable expressions: one operation](#)

Should you need any assistance regarding our program requirements, please don't hesitate to contact our math teachers!
